We Want You!

Bring your Special Talents!

Everyone has a talent be they: musical, craft, technology based, social, organisational or educational. Enjoy having a cuppa and a chat or teach someone how to send an email or even how to use a game console. This is an opportunity to use your talents to enrich the lives of others. Our residents have a wide and varied level of interests.

Great Support

Our Therapy and Activity staff guide our volunteers and will introduce you to residents who have similar interests. We celebrate volunteer's week where we take time out to acknowledge the wonderful contribution of volunteers.
